## Web Page Advertising Agreement for Setup and Maintenance

<http://www.condosinparkcityutah.com>

Each owner sets their own rates, cancellation policy and maintains their unit. However, we do stress when the unit is maintained well and the housekeeper does a great job, you are more apt to get a return rental. The Ericksons and the Webmaster are not liable for the data and pictures placed in the advertisement and/or submitted by the advertiser and/or unit owner (listed below). The unit position or advertisement position on the Web Site is determined by the number of pictures, the date the pictures were submitted and paid for. The Ericksons and the Webmaster will be in charge, of the layout and design, of the web site.

Please check one of the following

1.  One Time Setup:

The \$200.00 dollars received is to setup your Unit on [www.CondosInParkCityUtah.com](http://www.CondosInParkCityUtah.com).  
Web setup includes the following:

- A picture selection of your unit, featuring four pictures.
  - Owner to supply the pictures and the Webmaster will resize the pictures to fit the format of the web page (details below).
- One Page to list your Unit Information, Contact Name and/or Rates, with contact link to your e-mail and/or phone number (owner to supply data / see below). For a size example see G8 on [www.condosinparkcityutah.com](http://www.condosinparkcityutah.com) ).
- E-Mail Forwarding Address ( \_\_\_\_\_@CondosInParkCityUtah.com)
- Okay to make two maintenance changes in the first 30 days.

2.  Annual Renewal and Maintenance:

- \$ 75.00 Renewal One Year (No maintenance)
- \$130.00 Renewal Two Years (No maintenance)
- \$100.00 Renewal One Year and Web Site maintenance,  
not to exceed ten maintenance changes in one year.

3.  Maintenance: (To be paid when services are requested)

- \$25.00 Up to three line changes at one time equal a change.
- \$25.00 Each picture changed or added will equal a change (not to exceed 12 pictures).

## Web Site Image(s) Instructions:

1. A photograph may be sent by mail; however NO Polaroid photographs, please. The photograph will NOT be returned, so send copy, if necessary.  
OR  
Send images on CD, ZIP, or Floppy. If emailing photos try to ZIP them together in a file using WinZip or similar application. You may download and install WinZip from their website at <http://www.winzip.com>
2. All images must be same size and orientation ( Portrait or Landscape)
  - a. If not, Webmaster will crop and resize so all are compatible with Java class being used.
3. Use a flash when taking picture (even if you think you have enough light).
4. If digital camera is used, do not make any changes to the photograph with your computer. Webmaster will make all adjustments for the best display on web pages.
5. Indicate the picture to go on the Rental and Rates Page and the order of the pictures on your page, if desired.
6. If scanning images from photographs use high resolution scans (300 DPI recommended).
  - a. Save images as jpeg (.JPG) if possible.

If you need assistance, please contact us Glenna Erickson [glenna@condosinparkcityutah.com](mailto:glenna@condosinparkcityutah.com) or (916) 761-1677 (Questions on the Web Site Image(s) Instructions, may be best answered by contacting the Webmaster at [webmaster@condosinparkcityutah.com](mailto:webmaster@condosinparkcityutah.com) ).
